A NEW SEASIDE DESTINATION FOR INTIMATE WEDDINGS

**H**eadlands Coastal Lodge and Spa is a new, 33-room luxury lodge (with 18 adjacent two- and three-bedroom cottages) located in Pacific City, about a two-hour drive from Portland. Intimate weddings and elopements can be held outdoors, near the waves crashing off Cape Kiwanda, or inside in the private event spaces. As many as 30 guests can be accommodated in the two conference rooms, called Longitude and Latitude, which are adjoined by an open-air courtyard and feature state-of-the-art audiovisual equipment. There are additional cozy spaces throughout the lodge, including the Fireside Room, which can hold as many as 30 guests for a reception. It also has accordion-style windows that open to draw in the ocean air. In-house food and beverage services feature innovative Northwest coastal cuisine paired with wines from Oregon, Washington and beyond, as well as brews from Pelican Brewing. Wine barrel bistro tables give guests a place to congregate with their drinks

MOBILE BAR

## CARAVAN COCKTAILS

**AFTER DISCOVERING** a 1954 Bellwood camp trailer on Craigslist, Chase Maillard knew it would make an amazing mobile bar for events. Renovating the caravan became a family effort, and now, **Blue Stag Mobile Bar** is a thriving, family-run mobile business owned by Maillard and based in Eugene and Portland. It's also become a go-to for many stylish Oregon weddings. "[The mobile bar] creates a fun atmosphere," says Maillard. "The caravan and wine barrel bistro tables provide a focal point for guests and a great place to grab a drink and mingle." Packages include four hours of bartending service, barware, setup and cleanup, and insurance. "We take care of all the details so the couple can relax on their big day," says Maillard.
